These definitions are excerpted from The Department of Education's Handbook for Campus Safety and Security Reporting Appendix B.

**Murder/Non-Negligent Manslaughter:** the willful (non-negligent) killing of one human being by another. NOTE: Deaths caused by negligence, attempts to kill, assaults to kill, suicides, accidental deaths, and justifiable homicides are e x c l u d e d .

**Negligent Manslaughter:** the killing of another person through gross negligence.

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. **Burglary:** The unlawful entry of a structure to commit a felony or a theft. For reporting

purposes this definition includes: unlawful entry with intent to commit a larceny or a felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

(Drunkenness and driving under the influence are not included in this definition.)

### **Hate Crimes**

We are also required to report statistics for bias-related (hate) crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter , negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary , motor vehicle theft, arson, liquor law violations, drug abuse violations and/or weapons: possessing carrying, etc. (see definitions on the front page) and larceny-theft, destruction/damage/vandalism of property, intimidation, and simple assault (see definitions below).

**Intimidation :** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

**Simple Assault:** An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A bias-related (hate) crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc...the assault is then also classified as a hate crime.

## PROGRAMS AND PROCEDURES REGARDING SEXUAL ASSAULT

Educational programs promoting the awareness of rape, acquaintance rape, and other sex offenses are presented by the Institution with the assistance of guest speakers. Guest speakers present discussions on rape awareness, reducing the risk of being a rape victim, and what to do if you are attacked.

Brochures on sexual assault issues are available in the student lounge. Should a student or employee be sexually assaulted, it is the student(s)/employee(s) option to notify the appropriate law enforcement authorities, including on-campus authorities and local police. At the student's/employee's request, the Campus President or other school officials will assist in notifying the proper authorities. Victims of sexual assault or rape should follow these recommended steps:

Go to a safe place following the attack. If able, call 911 immediately

Do not shower, bathe, douche, or destroy any of the clothing you were wearing at the time of the attack.

Go to a hospital emergency room for medical care.

Make sure you are evaluated for the risk of pregnancy and venereal disease.  
(A medical examination is the only ways to ensure you are not injured and  
it could provide valuable evidence should you decide to prosecute.)  
Call someone to be with you as you should not be alone.

It is also recommended that victims call the Rape Crisis Hotline at 713-528-7273. It is  
open 24 hours a day and their counselors can help answer medical and emotional  
questions at any hour and in  
complete confidence . Reporting the rape to the police is up to the victim, but it is  
important to remember that reporting a rape is not the same as prosecuting a rape.  
Victims are strongly encouraged to call the police and report the rape. If the  
victim requests,

The Vocational Nursing Institute, Inc. will assist in identifying off campus counseling  
or mental health services. After any campus sexual assaults are reported, the victims of  
such crimes have the right to request that VNI personnel take steps or actions reasonably  
feasible to prevent any unnecessary or unwanted contact or proximity with alleged  
assailants, if applicable, including the transfer of classes. Other rape crisis centers or  
mental health agencies available to assist a victim of sexual offenses include:

Houston Area Women's Center's Domestic  
Violence Hotline (713) 528-2121  
Sexual Assault Hotline (713) 528-7273

A log will be kept of the date and time of the test. A survey will be distributed to the campus community to solicit feedback on the effectiveness of the notification. The surveys will be maintained for a minimum of one year and the data on the response effectiveness recorded as part of the test log.

*Confirmation of the type of emergency/dangerous situation* - will be through the School's Directors office. The Director will confirm the type of emergency and will determine ne what emergency response agency will be notified. Any emergencies deemed reportable to all members of the staff, faculty and student body should be immediately directed to the School Director for prompt action.

Notification to Campus Management by any member of the campus community does not preclude notification to the appropriate emergency authorities
